

EVELIZ VEGA-PARLEIR **SMNG A**

Professional Experience

Ms. Vega-Parleir joined SMNG A in 2015 as a project manager and Architect in Training (AIT) with a focus on BIM integration in design and construction management. She has a passion for sustainability and community development and has participated in design and construction activities for several educational and residential projects from the design phase through construction.

Prior to joining SMNG A, Ms. Vega-Parleir worked for Integra Design Group Architects & Engineers where she was engaged in the preparation of construction documents, technical specifications and 3D modeling. She collaborated as part of the design team for the Aruba Green Corridor, an international master planning project that strategized in promoting sustainability through landscape and infrastructure design.

In her tenure at SMNG A, Mrs. Vega-Parleir has energetically engaged a wide-range of project assignments from site planning, zoning, and landscape planning studies for a replacement social-services facility in the Hyde Park neighborhood of Chicago to concept planning and construction documents for an addition to a single-family residence in Lincoln Park. Other assignments have included assisting in development of Contract Documents for a Childcare Center in the Gage Park neighborhood, to assisting in review of shop drawings and submittals for a new 1,200 student, 110,000 SF school on Chicago's East side.

Current Work Assignments

- Assistant Project Manager in CD activities for a new indoor athletic Facility for the Chicago Park District.
- Physical conditions assessment and reporting of Envelope and Program Renovations for an 110 year old school.
